*Daddy*

*John Rabindranath*

Daddy John Rabindranath was a great prophet in this 20th century. He served the Lord with all his might for around 50 years and entered into glory on 3rd November 2006, at 7.00 a.m. He was the Founder of the Jesus Comes Ministry

**About Daddy D. John Rabindranath**

He was born in a Christian family and his forefathers were orthodox Hindus. Though his parents were Christians by name, he wanted to find the true God and he used to worship all the Hindu Gods to find out the real God.

But he had a longing that he was not able to see the true God.

Then he was married and he settled down with his wife in Coimbatore. He worked as a teacher there. His wife became bed-ridden very soon after his marriage. She would talk a bit when she had conscious. As the medical treatments failed to show any improvement on her, she expired on the 55th day after his marriage.

As he became very depressed from the loss of his wife, one noon he went to a place called Marudhamalai in Coimbatore. There while he was praising God and singing and as he was yearning for a new experience, suddenly the divine fire descended around him. He began wailing and confessing his sins, his failings and offences. He could see the

Water of Life being sprinkled all around him. He underwent an experience that cannot be expressed in words (Psalm 51:17).

After this experience, he went to a Christian Ashram in Bangalore to do God's ministry. His desire to see the Lord Jesus Christ face to face was intense. Seated in front of the Ashram, he was weeping for six hours. At 3 a.m. he began to sing. Then he was on his knees praying. He decided that unless God granted him a vision in two hours in the open, he would go to the foot of the Himalayas. The gracious Lord appeared to him, not in his sub-conscious state, but in his normal, full, conscious state. The heavens opened. Jesus appeared in the midst of the Holy Fire. Jesus spoke to him for over 25 minutes.

From that day, he started to preach that Jesus alone is the true God. Then he took the gospel of Christ and preached with great burden in more than 3,500 villages. He travelled throughout these villages by walk. Then he had preached in 40 countries and in thousands of cities. Millions of people accepted Christ as their Saviour through him. Eleven dead people rose through him. As he walks, the devils will shout and run away in fear.

He started his ministry in an Ashram at Bangalore, then he had his ministry in the Nilgris and then in Aramadai in Kerala for 10 years. Then in July 1982, in Tirunelveli, (Tamil Nadu), he founded the Jesus Comes Ministry and it is still functioning in that place. Until November 3, 2006, he was working very hard for the kingdom of God.

#### **Present Ministry**

After Daddy D. John Rabindranath, his adopted daughter Mrs. M. Poomani and her husband Mr. Paulraj Moses are administering this ministry.

There is a fasting prayer every month on second Saturdays and the Thursdays and Fridays preceding them. Many people from the villages and the cities gather together to fast and pray. Many people attending this fasting prayer are poor. The

special thing in this fasting prayer is that, people are poor and who don't have adequate bus facilities are made to attend this prayer by arranging vans on the ministry's expenses. Plus, the ministry prays for them and provides food after the prayers to all the people who have gathered for the prayers.

Night prayers are being held in the garden on the last Saturdays from 9.00 p.m. to 3 p.m. A few special meetings are also organised in the Jesus Comes Garden. Further, they go into churches, cities and villages without expecting anything and preach the gospel of Christ.

Every year, they meet the basic needs of a few people who are suffering from hunger.

#### **About Bro. Paulraj Moses' Family**

God has granted three children to Bro. Paulraj Moses and his wife M. Poomani. Their eldest son, P. John Rabindranath Moses is pursuing his M.B.A., while their second son P. John Ebenezer Moses is pursuing B.Sc (Visual Communication). Their daughter P. Gnana Ruba Christy is on the 10th grade. As per the wish of Daddy D. John Rabindranath and the vow made by their parents, all the children will serve the Lord after completion of their studies. Even now, the children are taking part in the ministry. They have dedicated themselves to serve the Lord as a family.

#### **The future visions of the Jesus Comes Ministry**

To run a television channel by name Thuthan TV (which means angel in Tamil) and to tell about the second coming of Christ to the people through media. Initially, this would be telecasted in the three south districts of Tamil Nadu. About 60,000 to 100,000 people would be watching this network a day.

As the Lord had commanded Bro. Paulraj Moses not to forget the poor people even if he was taken up to a very high level, and to tell the world that Jesus is Coming very soon, Bro Paulraj Moses is following these commandments strictly.

A new Trust had been formed by name "John Rabindranath Memorial Trust". This is a charitable trust started in the name of our beloved daddy D. John Rabindranath. It'll take care of the mentally challenged people and the orphans roaming on

the streets without any shelter in India.

To start a Bible institute by name John Rabindranath Bible Institute for M. Div (Master of Divinity - a 3 years course) to teach about the depths of the Bible.

They have decided to provide good medical care and good education free of cost when God strengthen their arms. They are praying for the same. Like Paul helped the people who are in distress, they have decided to help the people who are in distress by providing the word of God and also helping them physically. So please help them carry out all these works by strengthening their arms.
